You never know what the weather will bring so bring your raincoat/slickers, tee-shirts, and cold weather clothes, too.

We're going to have Potluck in the Big Barn the 24, 25, and 26th at 6pm. Nothing fancy, just smiles and food. The range will supply the utensils and plates along with the main dish. Please bring a dish and enjoy the fellowship with friends. Taco Casa will provide Friday night's meal. Southern Confederate Soldiers Red Diamond Camp #2193 will be serving you. No tickets are needed for that meal. We will eat until it is gone. If you plan to attend later in the evening, bring a snack. After Side Match awards, we'll dance to the band Relentless at 8pm.

Saturday night is a must see Disco party after dinner and Main Match awards. Mike and his team with The Butcher Block or Taco City will provide the dinner. Either picnic outside or come in to the Big Barn. Either way, you'll enjoy your meal. Award will begin at 7pm. The Vegas Stars will begin at 8pm.

Lots of campers are due in at the range and some of them are already here. When you arrive with a camper, someone will greet you and show you where to park. If you are running a generator, we do not have a quiet time.

There will be Sewer service available after 6pm on Thursday and Friday. If you need the service, pick up a flyer at registration and affix it to your camper at the nose so the provider can easily see. Someone needs to be available when they arrive. The service is \$20, and you will pay them at the time of service.

I am going out to the range. If you have any questions, please call me at 903-272-9283.

See ya in the Badlands,

T-Bone and Ellie
